

MOTION BY SUPERVISOR DON KNABE

November 10, 2015

On Sunday, June 28, 2015, at approximately 11:30 p.m., Long Beach police officers responded to an assault with a deadly weapon at 727 Linden Avenue. The calling party stated that the victim had been shot and was bleeding. When officers arrived, they observed a male subject face down on a staircase to the rear of the location. The subject was unresponsive and bleeding from the head. Officers began CPR until the Long Beach Fire Department arrived on scene and pronounced the victim dead.

Investigators learned that the victim, Iran Maese, has family in the Long Beach area, but the victim did not have a permanent address. During the investigation, two 9mm shell casings were recovered. Investigators learned that witnesses only saw a possible suspect leaving the area but there is no description of the shooter. Several witnesses stated that they heard the shots but nobody has come forward to provide a description of the suspect(s).

Investigators have canvassed the neighborhood looking for witnesses to the incident and feel they are at a point where it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individuals responsible for this crime.

I, THEREFORE, MOVE that the Board of Supervisors extend the offer of a \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
